

# Training Opportunity (Tuition-Free)

## Hazardous Materials Instructor Certification

Dates: 18-22 August 2014

Location: Oceanside, CA

This course will certify you to deliver State-certified Hazardous Materials emergency response courses in a cost effective manner. It will also certify law enforcement personnel to teach Learning Domain 41 in a POST basic academy.

Note: The first day of this class will be a First Responder Awareness (FRA) class. You don't need to take this part to become certified if you have already had state-certified FRO class.

Complete the steps below and you will receive instructional material, instructor information and guidance to help you deliver State-certified hazmat training in-house. The steps are:

- #1) Take the CSTI Hazmat Course you want to teach (e.g. CSTI FRA, FRO or IC Course).
- #2) Complete the Instructor Certification Course.
